A day with Janet Attwood—a day you won't forget. First time in Edmonton!

VIP Reception & Concert, Friday, January 15, 2010
Full Day Event, Saturday, January 16, 2010

Janet Attwood, a respected expert on creating and living a passionate, fulfilling life, has presented her programs to millions around the world. She has delivered her programs from the same stage as The Dalai Lama, Lynne Twist, Lisa Nichols, Richard Branson, and Jack Canfield, to name a few. Her certification program now has over 500 facilitators from around the world. Jack Canfield, co-author of the Chicken Soup for the Soul Series, said after taking The Passion Test with Janet, *"When I did the work on discovering your passion with Janet in a workshop, I wasn't expecting that much to happen because I am already living my passion—teaching others about how to become more successful. However, her powerful process took me to an even deeper place, where I realized I was not spending enough time with my true number one passion—my family! That realization, and the other work she did with me, has changed the way I have lived the past year."* www.janetattwood.com or www.thepassiontest.com

"The Passion Test course was extra-ordinary. I've taken (and delivered) many seminars and training programs over the last 25 years, and this was at the top. I highly recommend the Passion Test program to anyone who is committed to living their own passions and to helping others discover theirs." ~Marci Shimoff, #1 NY Times bestselling co-author, Chicken Soup for the Woman's Soul and Chicken Soup for the Mother's Soul, and Transformational Teacher featured in the movie and book, The Secret.
